Annual Reports are due by December 31 of each year, with the first report being due December 31, 2022. In addition, please refer to AAQEP's [substantive change policy](#) for guidance on program changes that must be reported.

RATIONALE

The Commission evaluated the program's evidence for each AAQEP standard and determined that all four standards are met. Completers of the program are prepared to work effectively as professional educators and are able to adapt to different contexts and to grow professionally. The program has the capacity to analyze and provide evidence for sustained actions and revisions on behalf of candidates, and it engages with stakeholders and partners to strengthen the P-20 education system in their rural upstate New York setting.

Capitalizing on its small size, the program cultivates close relationships with partners to develop a stronger educator pipeline and address local needs. The program's commitment to quality is manifested in its collaborative culture of continuous improvement and its cohesive support system for teacher candidates.
